Mandela Park Backyarders Emergency Press Release  
FOUR COMRADES ARE NOW UNDER ARREST

We returned to the police station to try to re-open the charges against the DA thugs - which they police has thrown out under pressure from the notorious Bonginkosi Madikizela. But instead of re-opening the charges against the DA thugs, or opening a case against Madikizela for the unlawful and criminal destruction of our homes, our own comrades were arrested!

Can anyone tell the difference between the DA in Mandela Park in Cape Town and the ANC in Kennedy Road in Durban? We cannot. Maybe we should no longer call this place Mandela's Park. Maybe we are in Mubarak's Egypt. And Madikizela is the new dictator here.

We are now holding a mass meeting to decide on our next move in response to the attacks on our community from the DA and their police. We urge the media to rush to the scene and to see the reality of life in Mandela Park for themselves.

Our contact people are as follows:

Loyiso Mfuku @ 073 766 2078

Luzuko Solomon @ 073 966 2188

Mr. Yanga @ 073 919 6592

Funeka @ 073 909 8710

**BUT THEY ARE NOW ALL IN THE REGIME'S HOLDING CELLS AND THEIR PHONES ARE LIKELY TO BE CONFISCATED AT ANY POINT SO PLEASE PHONE 079 5125 677 IF YOU NEED TO SPEAK TO SOMEONE OUTSIDE THE HOLDING CELLS.**
