No Land! No House! No Vote!
Voices from Symphony Way

on our upcoming elections

The authors from Symphony Way will be there to discuss their struggle for land, housing and dignity and how that struggle taught them a lot about electoral politics. They will be explaining why many of them will not vote in the elections on the 18th May.

Date: 5th May 2011 -- Time: *5:30 for 6pm*

*at Alternative Information Development Center *

129 Rochester Rd in Observatory, Cape Town
